This program is intended for individuals who are at the beginning of their NDT careers, preferably with no more than ten years' experience in the field. Do you meet this requirement?

- Yes
 No

Please attach your professional resume, listing all employers and positions held, and describing the duties you performed.

Tell us your NDT story. Why have you chosen a career in NDT?

RISE encourages individuals who have a genuine interest in shaping the future of ASNT and NDT to apply to the program.

- Explain how you would like to grow professionally and personally and apply your newfound knowledge

- How will your personal background/experience contribute to the overall learning experience of the class?

- Explain how you would like to connect and be involved in ASNT five years from now.

By applying to RISE you agree to serve as an active volunteer for ASNT or your local ASNT Section for a period of no less than three (3) years following graduation. Do you agree to this commitment?

- Yes
 No

ASNT will coordinate your volunteer activities to take the best advantage of your skills, interests, and schedule availability and to meet the greatest needs of the Society.

Please provide two letters of recommendation from individuals who are familiar with your job performance and your future potential as a leader. At least one letter should be from your direct supervisor or senior manager in your organization, and one may be from your local ASNT Section. Please advise your references to include:

- The nature of their relationship with you (e.g., your supervisor, manager, mentor, etc.).
- An assessment of your potential to excel as a leader
- The reference from your employer should include a statement of commitment to support your participation in the RISE, including the time necessary to participate in on-site retreats and on-line lessons.

Time Commitment

Completion of the program depends on attendance and active participation in all activities of the 15-month program, including three in-person retreats. Two of the retreats will be held in conjunction with ASNT's Annual Conferences, and the third will be co-located with another ASNT Event to be determined*.

Please review the current calendar of ASNT Events as you consider your availability when you apply.

**A complete calendar of in-person and virtual meetings will be available for applicants no later than 2 June to confirm availability.*

Travel Requirement

Completion of the program requires attendance at three in-person retreats across the program's 15-month period. While the cost of participating in the RISE program is free, you are responsible for your travel-related expenses to the retreats. We encourage you to seek financial assistance for your travel-related expenses from your employer or ASNT Section.

ASNT will have a limited amount of funds available to assist RISE participants with travel-related expenses. Do you want to be considered for ASNT financial aid?

Yes

No

If so, please describe your needs. Indicate whether your employer or ASNT Section has been contacted for assistance.
